The Gospel today is something called “the Gospel in miniature” because it so concisely sums up the Gospel message. In even more condensed form, “God loved… God gave…,” it is the paradigm for stewardship – we give because we love.

**PARISH OFFICE SUMMER HOURS**

Beginning June 1st – August 31st

Monday – Thursday

8:00 AM – 4:30 PM

(Closed Noon to 1:00 PM)

Friday – Parish Office Closed

**WEEKLY MEDITATION**

One God…Three Persons.

That’s the Trinity, and when you get right down to it, this central mystery of the Christian faith is just that – mystery. I have heard and used many images as illustrations to aid in understanding the Trinity:

- Shamrock – one leaf, three petals
- Water – one substance, three states (solid, liquid, gas)
- Numbers – one meaning, many languages (five, cinque, etc…)

These examples (and many like them) try to get at the notion of how something can be the same and different at the same time. How unity and diversity can be present at the same time; how the individual and the communal are manifested simultaneously.

It’s a mystery.

And at the heart of the mystery we have a communion of Persons: the Father, the Son, and the Holy Spirit – a revelation that God comes to us in communion and invites us to be communion with others. We are not alone! **God (in communion) invites us into this communion to create communion with one another.**

Where do we find communion in our lives? Some obvious places:

- Home & Family
- Work
- School
- Neighborhood

You get the idea. Wherever two or more are present, the opportunity for communion is possible. **The point: How strong is the communion we have with God and one another? How united are we in faith, hope, and love?**

May we reflect on the current state of our relationships today and renew them, allowing the grace of God – Father, Son, and Holy Spirit – to bless the communion we have with those around us.

Fr. Andrew

**Question for Children:** When people love each other, how do they treat each other?

**Question for Youth:** The Trinity is celebrated today. How would you describe your relationship with God the Father? With Jesus? With the Spirit?

**Question for Adults:** If you were to encourage the members of your own parish to live as a “community of love,” which is how we define the Trinity, how would you advise them to live? Use St. Paul’s list of exhortations as your starting point.

Please join us Monday – Friday at 8:00 A.M. On Thursday the rosary will be recited with prayers offered up for the unborn and to end abortion.
Eucharistic Adoration

"If Christianity is to be visible in our times, above all for the ‘art of prayer’, how is it possible not to feel a renewed need to spend long periods of time in spiritual conversation, in silent adoration, and in an attitude of love, before Christ present in the Most Blessed Sacrament? How often, my sisters and brothers, have I experienced this, and while doing it, have I found strength, consolation and support!” St. John Paul II in “Ecclesia de Eucharistia, No. 25.

You are always invited to come and experience the quiet and consolation of Adoration on Thursdays from 2:00-5:00pm. Come when you can - for any period of time - and leave when you must.

Utility Disconnects

This is the time of year when many households have their utilities disconnected for a period of time until they are able to make a payment of often as much as $1000 or more. How can people accumulate such a large utility bill? Many times it is a question of paying the rent or paying the utilities. Oftentimes illness, injury or a job loss results in a critical reduction in income.

Your generosity allows us to partner at times with government assistance and other resources to assure that families are not living with a lack of electricity and water. God bless you.

Join us at our next meeting on Tuesday, June 13th at 6pm at the Catholic Charities Building, 1416 Cumming Ave. 715-398-4039
