Gas Station Updates

As of the first of the new year Kwik Trip will be lowering their rebate from 10% to 4% and there may be a change in scrip availability. We would like to encourage you to consider buying Kwik Trip now as to avoid large end of the year purchases and the possibility of running out.
Thank you!

Also, although Holiday has been sold to a new company, as of right now there are no plans in place to change their contribution to the Scrip Program.
