The Brandon Christopher Collection *Angel Sale*

In 1992, a young man battling cancer and his mother were shopping at a craft sale when his mother asked him to pick out an angel. The young man died the following spring but his mother continued to collect angels in his memory. There are now **845 angels** in her collection. She has generously decided to donate the entire collection to Cathedral School to be used as a fundraiser for the School's Angel Fund, money set aside to assist students or their families in time of financial need. The entire collection will be set up in Kress Hall after all Masses on the weekend of December 16th-17th.

Angels will be available for a Free Will Donation.

Want to lower your School Tuition for 18/19 school year ?

Check out the Scrip Program!!

What is Scrip and how does it help the school? Cathedral School purchases gift certificates and gift cards at a discount from available vendors and then we sell them to you at their face value. You then use them just like cash at your favorite store and Cathedral keeps the difference!

Is there a catch? NO! These vendors participate in Scrip programs because they have a vested interest in the community. They support us as we support them. It is a win-win arrangement for everyone!

How can Scrip benefit you? For each Scrip order you place, 50% of the profit from that order will go towards your next year's tuition. You can maximize your tuition credit by recruiting family and friends and asking them to put your family's name in the tuition credit area of the order form. Standing Orders can also help you maximize your tuition credit.

Feel free to check out the Great Lakes Scrip Center website at www.glscrip.com to see all the other merchants if you find yourself traveling or looking for gifts!
