## Looking to make School Tuition more Affordable, Check out the Scrip Program!!

**What is Scrip and how does it help the school?** Cathedral School purchases gift certificates and gift cards at a discount from available vendors and then we sell them to you at their face value. You then use them just like cash at your favorite store and Cathedral keeps the difference!

**Is there a catch?** NO! These vendors participate in Scrip programs because they have a vested interest in the community. They support us as we support them. It is a win-win arrangement for everyone!

**How can Scrip benefit you?** For each Scrip order you place, 50% of the profit from that order will go towards your next year's tuition. You can maximize your tuition credit by recruiting family and friends and asking them to put your family's name in the tuition credit area of the order form. Standing Orders can also help you maximize your tuition credit.

Feel free to check out the Great Lakes Scrip Center website at [www.glscrip.com](http://www.glscrip.com) to see all the other merchants if you find yourself traveling or looking for gifts!

Please email the scrip committee at [scrip@superiorcathedralschool.org](mailto:scrip@superiorcathedralschool.org) for more information or to place an order.
